Copernicus Science Centre

Address: Wybrzeże Kościuszkowskie 20 in Warsaw

Under the Honorary Patronage of the Spouse of the
President of the Republic of Poland

Agata Kornhauser-Duda

THE OFFER

We would like to invite you as a sponsor and exhibitor to the World Meeting of the Blind, partially sighted, their families and friends - REHA FOR THE BLIND IN POLAND 2021.

It is the largest meeting of its kind in the world for blind and visually impaired people and their relatives, during which exhibitions of many Polish and foreign manufacturers are held.

Within the event taking place from 10th to 13th September 2021, there is a possibility to exhibit your own commercial stand and thus reach an audience of many thousands of people. The meetings during the REHA conference in Warsaw will be held in the Copernicus Science Centre building, located in the heart of the capital city of Poland.

Participation in the above mentioned events gives you an opportunity to present your own brand and trade offer. It is also a chance to understand the needs of people with disabilities and strengthen your image by presenting your charity and CSR activities.

Every year, REHA FOR THE BLIND IN POLAND attracts more and more attendees from Poland and abroad. In previous years we had over 3000 participants. This year's conference will be broadcasted worldwide and interpreted into twelve languages, which only increases the potential audience of your offer. REHA 2021 is held under the honorary patronage of the First Lady of the Republic of Poland and attracts great interest of the mass media.
